WHO WE ARE

365give is on a mission to make giving possible for everyone.

We envision a world where giving is a way of life 365 days a year.

The results will benefit us all.

- Happier healthier people
- More peace
- A compassionate world

A more connected and united place for all people.

365give started with a 3-year-old so we know it's that simple. Today our community has made a HUGE impact across the globe.

We know change is possible when we do this together.

WHAT IS Do1Give Day

Do1Give Day started in 2017 with youth leaders who wanted to drive real change. Their idea was simple:

A one day where everyone could come together and do one small act of giving and spread it around the world.

That's the heart of 365give: everyone has the power to do just one small act of good. Small actions add up and when we do them together, the impact grows fast.

Today, Do1Give Day is a global giving event powered by YOU and social media.

We spread love, we spread good, and we spread a whole lot of happiness.
