

WATCH KINDNESS SPREAD

Chain Reaction Challenge

Turn your family's kind acts into a real paper chain that grows around your home.

Let's build it!

1. Do something kind for a person, an animal, or the planet.

2. Write it on a strip and add your name.

3. Cut it out, loop it through the last link & tape it closed!

One kind act = one link. How far around your home can your family chain reach?
