

KINDNESS IS YOUR SUPERPOWER

My Superhero Cape

Every small act of giving makes you a hero. Colour and decorate your cape, draw your kindness emblem in the middle, and wear your superpower proudly.

You're a hero!

My Superhero Cape

Every hero has their own unique qualities. Decorate your cape, then design a badge for each kind of giving you love to do.

How it works: colour your cape, then design each badge below for a kind act you do at home: helping people, sharing, caring for animals, and looking after the planet. Cut out your favourites and glue them on your cape.
