

WATCH KINDNESS SPREAD

Our Family Ripple Map

Every act of giving makes ripples. When someone in our family gives, write it where its ripple reached and watch it spread further every day.

WATCH KINDNESS SPREAD

Our Family Ripple Map

Follow one small act of giving as far as it goes. Write the act, then trace its ripples: who it touched, and how it made them feel.

How it works: when someone in your family does a small act of giving (or spots one!), add it as a story below. A ripple is anything that happened *because* of the act: a smile, a thank-you, someone passing the kindness on. One happier, one grateful, one changed person changes everything around them.

THE SMALL ACT OF GIVING

RIPPLE 1 · WHO IT TOUCHED

RIPPLE 2 · HOW DID IT MAKE THEM FEEL?
