**Do something good
together**

Food has always had a way of bringing people together.

The next time you're planning dinner with people you care about, add one small idea that gives everyone another reason to connect. No big event. No complicated planning. Just good food, good people and a little good added to the menu.

The menu with meaning

BRING SOMETHING TO GIVE

Ask everyone to bring one item for a local food bank, shelter, animal rescue or community organization.

THE \$5 TABLE

Everyone brings \$5. Over dinner, decide together where your collective gift should go.

DINNER + DO

Do one simple action together after dinner. Write cards. Pack care kits. Make sandwiches. Sign up for a community event.

PASS THE GRATITUDE

Put everyone's name in a bowl. Draw one and share something you genuinely appreciate about that person.

THE EMPTY CHAIR

Invite someone who might not normally be included. A neighbour, new colleague, newcomer or someone who's been spending a lot of time on their own.

SHARE YOUR THING

Go around the table and answer: *What's one issue in the world you wish more people cared about?*

LEFTOVERS WITH PURPOSE

Have extra food? Package a meal for someone who could use one instead of automatically putting everything in the fridge.

EAT FOR THE PLANET

Make the entire dinner meatless. Try something new together while making a choice that's a little lighter on the planet.

**Good food brings people to the table.
Purpose gives us another reason to connect.**
