Skills Challenge

Your skills have value. Give them.

STEP 3 Make your plan

A few lines each is plenty.

What will you do?
The action itself, in your own words.

Who is it for?
Name them, even if it is one person.

What do you need?
Time, materials, permission, transportation, or help from someone else.

When will you do it?
A day and a time, so it actually happens.

STEP 4 Take action

Now give your skill. Use something you know how to do to give your time and make a difference.

DATE COMPLETED

TIME GIVEN

STEP 5 What did you discover?

How did your skill help?

What did you learn about yourself?

Did you discover another skill while doing it?
